

■ Our Team

We are a team of specialist addictions nurses and practitioners. If you receive a prescription, it may be from a doctor, a nurse or pharmacist who has had specialist training in prescribing.

CSSS

CAMHS Specialist Substance Misuse Service

■ What is CSSS?

- We are an NHS specialist treatment service for young people where drugs and alcohol are causing serious problems in their lives.
- We work with young people aged 18 years and under resident in East London.
- We work closely with other local substance misuse Borough based organisations in Hackney, Tower Hamlets and Newham. We also link with local GP's and pharmacists.
- We are not a 24 hour service. You will be given the contact details of your key worker.

We can help
piece it together

■ What do we offer you?

- Support to meet your health care needs.
- Advice, information and treatment to help you if you want to stop using drugs and/or alcohol, even if you have been using for a long time. This may possibly include a prescription if necessary.
- Help to cut down your drug and alcohol use, if you are not ready to stop yet.
- Help to reduce the harm that may be happening as a result of your drug and alcohol use, either to you or people you meet every day.
- Put you in touch with professionals who may be able to help with other problems, if you would like this to happen.
- If you are unhappy with any of your treatment or professionals providing your care we would like you to discuss this as soon as possible. If you find it difficult to discuss this with your key worker, you can contact our service manager, **Rosie Winyard** on **07852 937920**
